

Work-integrated learning key messages

Our grads get jobs

- Georgian has the highest graduate employment rate among all English-language Ontario colleges, at 87.8 per cent – well above the provincial average
- We've maintained a high graduate employment rate for well over a decade

Georgian students gain experience

- All programs offer hands-on learning experiences
- Approximately 70% of programs offer a work-integrated learning opportunity: co-op, internship, placement or field experience (total of 10350 students)
 - 34% offer paid co-op (5286 students)
 - 9% clinical placement (2046 students)
 - 27% offer a field or work placement (3018 students)
- 6,200 employers collaborate with Georgian to offer student work experiences

We're Ontario's #1 co-op college

- Georgian has 5,000 students enrolled in co-op programs and 3,250 students on co-op placements each year – more than any other Ontario college
- Georgian also has the highest percentage of programs with co-op among Ontario colleges
- Georgian is the only Ontario college with programs accredited by the Canadian Association for Co-operative Education
- Georgian is one of the only colleges in Ontario to offer an entrepreneurship co-op supported by industry mentors

We can support you

- Thanks to support from our co-op and career services team, 96 per cent of active co-op students are successful in their work term job search
- Georgian was the first-ever recipient of the JVS Post-Secondary Career Services Education Award, recognizing the college's efforts to prepare students for the workforce (2014)
