Kids Help Phone

July 15, 2014

Ms. Erin Wright

Dear Erin:

Thank you for your wonderful letter. I've pinned it to my office wall because it always brings a smile to my face. I'm really glad you find our counsellors friendly and hopeful.

Participating in the Polar Plunge was a brave thing to do. I certainly couldn't jump into freezing cold water. The fact that you did that for Kids Help Phone makes your donation of \$211.80 extra special.

Your gift will really help children and youth across Canada. Kids from almost 3,000 communities all over the country – including Penetang and Midland – turn to Kids Help Phone counsellors for help. In 2009, kids contacted us over 2.4 million times. With help from people like you, we can continue to be there for them.

I'd like to share this heartfelt "thank you" message that was posted on our website, because the real thanks belong to you:

"I've only been going to the Kids Help Phone website for three months now but you've already helped me. Reading other posts ... writing my own posts ... I feel like I have a friend who can walk beside me and help me. Kind of like the guardian angel I forgot to sign up for!"

With thanks and warm regards,

Mikaela Lefaive
