Did we mention the free treats?

Hi John,

We do our best to offer a great Open House experience. It's all about making you (our guest) feel welcome. One small example is our free snack station.

Treats may not be your main reason for coming to **Open House on Saturday, Feb. 9** — in fact, we kind of hope you're coming to connect with faculty, tour the campus, and learn about programs — but if you get snacky on campus, we've got you covered.
