Hours: Monday to Friday, 8 a.m. to 4:30 p.m.

Phone: 705.722.1511 (phones close at 4 p.m.)

Fax: 705.722.5118

Email: CTCRegistrar@georgiancollege.ca

Website: georgiancollege.ca/ctc

DISCLAIMER

Changes and updates to these articulation and transfer opportunities occur throughout the year. Georgian endeavours to ensure the accuracy of each articulation opportunity; however, changes may occur in program offerings, admission requirements and transfer credits granted by participating institutions. Students must check directly with the articulating/transfer institution for the most up-to-date information before applying to any program.

ARTICULATION and TRANSFER agreements at Georgian College 2015–16

Georgian College proudly offers over 500 pathway opportunities with more than 45 institutions in Ontario, across Canada and around the world. Graduates from 98 per cent of our diploma programs can build on their credentials by pursuing degrees and programs at other institutions using our outgoing articulation and transfer agreements. Graduates from other institutions can also enter Georgian programs through incoming agreements.

Articulation and transfer agreements allow graduates to enter a program in another institution with transfer credits so that students do not have to repeat courses. For example, an outgoing agreement at Georgian College means graduates in Electrical and Mechanical Technology programs may complete Lakehead University's Bachelor of Engineering program in two and a half calendar years. In other words, in five and a half years students may earn a three-year Georgian College diploma and a four-year Lakehead University degree.

Students choose to take advantage of our pathway opportunities for many reasons. Some choose their Georgian program based on the pathway opportunities available after graduation. Graduates could be looking for ways to further their education or travel while building on their credential(s). Whatever the reason, there are numerous exciting incoming and outgoing pathways for students to choose from.

This guide has been put together to illustrate the pathway opportunities available at Georgian College through its articulation and transfer agreements. It gives current and future students as well as alumni an idea of the time and completion requirements when choosing to pursue transfer opportunities with partner institutions.

Be one of the many students who take advantage of these pathway opportunities. Experience learning at Georgian and beyond!

Completing the Advertising diploma at Georgian allowed me to pursue an exciting career in advertising and promotions in the radio industry. It also gave me the opportunity to further my studies by completing a degree at Royal Roads University in Victoria, BC, in just two years through an articulation agreement.

Thanks to this, I was able to move from the radio industry into the home development sector and progress into my current position as Marketing and Sales Director for Barrie's largest builder since 1890, Pratt Homes. I am proud of my achievements and look forward to seeing where my education can take me from here!

How to use articulation and transfer agreement information

GEORGIAN COLLEGE PROGRAM	INSTITUTION	DEGREE AVAILABLE	COMPLETION DETAILS
Architectural Technology	Conestoga College (ON)	Bachelor of Applied Technology, Architecture-Project and Facility Management (4-year)	About 2.5 years of full-time study to complete the degree (minimum 69 of 120 credits required); 75% or higher GPA required for admission. Visit ONTransfer.ca for details.
	Davenport University (MI)	Bachelor of Business Administration - General Business (4-year)	About 1 year of full-time study to complete the degree (minimum 30 of 120 credits required);

STEP 1

Find your Georgian program on the list.

STEP 2

Find the institution and program you would like to take after graduating from Georgian.

STEP 3

See what is required to complete the credential that interests you (*selection from Step 2*) after your Georgian program.

Understanding STEP 3

This tells you the amount of time it will take to complete your program of interest at the future institution using your Georgian credential to transfer (articulation). For example, here you must complete about two years of full-time study after graduating from Georgian to obtain the four-year degree at the future institution.

This denotes the minimum GPA you need to achieve upon graduating your Georgian program to be considered for admission into the future institution. For example, to be considered for admission into the Bachelor of Business at the future institution, you must have a minimum 70 per cent GPA upon completing your program at Georgian.

Note: Georgian articulation and transfer agreements do not guarantee admission into future institutions. Students are required to follow the admission process of the future institution. Once admitted, the articulation and transfer agreement comes into effect.

Completion Details

About 2 years of full-time study to obtain the 4-year degree (min. 60 of 120 credits required); minimum 70% GPA required for admission. 60 credits (2 years), 70% average required for

This shows you the number of credits you need to complete at the future institution when you use your Georgian credentials to transfer (articulation). For example, here you must complete 60 credits of the 120 credit program after graduating from Georgian to obtain the four-year degree at the future institution.

Note: Credits are defined by the future institution and vary from one to the next. The number of completion credits at one institution may be different than at another.

STEP 4

Check with the receiving institution for admission requirements into your selected program and to verify articulation and transfer details.

CREDENTIALS:

PD = Post-Diploma
 BA = Bachelor of Arts
 BBA = Bachelor of Business Administration
 BS or BSc = Bachelor of Science

CANADIAN PROVINCES:

AB – Alberta
 BC – British Columbia
 ON – Ontario
 NB – New Brunswick
 NL – Newfoundland and Labrador
 NS – Nova Scotia
 QC – Quebec
 PE – Prince Edward Island

INTERNATIONAL:

US – United States
 UK – United Kingdom

Total number of credits vary by institution. Online study generally requires more time than on-site study – no time is defined for online study. In some cases, additional or specific Georgian courses may be required.

ARTICULATION and TRANSFER AGREEMENTS

Submission of a successful portfolio. One Grade 11 or 12 math with a <i>minimum of 60%</i> and one Grade 12 English with a <i>minimum of 65%</i> .		Barrie

Ornge is an air ambulance services provider in Ontario. I oversee compliance to aerodrome standards and operating procedures. I love my job! Despite it being my first position out of college, it has responsibility and is preparing me for further career growth. I am currently in the online Master of Aviation Management program at Griffith University (Australia), which is an articulation agreement with Georgian College. I was intimidated to go to college but when I was finally there it was amazing. I would definitely recommend the program.

Allison Couch
Aviation Management (Co-op)

Scholarships/financial aid

Current Georgian College program fees can be found at georgiancollege.ca. Search for the program that interests you, visit that program's webpage, click on Program Outline and then Program Information.

Ontario Student Assistance Program (OSAP)

Financial assistance may be available to students who are Canadian citizens, permanent residents or protected persons and residents of Ontario. Apply early and free of charge online at www.osap.gov.on.ca. Refer to the OSAP website for information about the Ontario Tuition Grant, which offers 30 per cent off tuition (as of date of publication).

Awards and scholarships

Georgian College disburses about 900 awards and scholarships valued at almost \$700,000 – and they aren't just for students with high grades. Financial need, leadership and volunteer work can be important too. Georgian offers more than 80 awards and scholarships to international students.

Visit georgiancollege.ca/awards for more information on awards and scholarships or contact the Awards Office directly at 705.728.1968, ext. 1483 or awards@georgiancollege.ca.

How to apply

College degree, degree bridge and graduate certificate programs (includes BScN)

The online application at ontariocolleges.ca is the quickest and easiest way to apply to college. Instructions can be found online. An application fee applies, payable to OCAS (\$95 as of publication).

Ontario College Application Services
60 Corporate Court
Guelph, ON

Telephone: 519.763.4725
Toll-free: 1.888.892.2228

Partner university programs

Please apply directly to the partner universities.

International students

International students apply directly to Georgian (do not use OCAS) and complete the International Student Application form. A \$100 application fee is payable to Georgian College.

Application dates

If you are applying for a college degree or graduate certificate program (including BScN), beginning in the fall, all applications received at OCAS on or before Feb. 1 are considered equally. After that date, applications are considered on a first-come, first-served basis. This is critical if your choice is a limited enrolment program. After Feb. 1, you may check online at the OCAS Program Vacancy Service at ontariocolleges.ca for information on programs that are open, closed, or accepting applicants on a waiting list.

Offers of admission for college programs (includes BScN)

Acceptance letters for college programs that start in the fall are mailed as early as Feb. 1. You have until May 1 to respond to the offer by confirming through OCAS, which will notify the college. If you do not respond by then, you may forfeit your place to a student on the waiting list. After these dates, applications will be accepted on a first-come, first-served basis until all programs are full. For a complete description of application and academic policies visit www.georgiancollege.ca/academics/policies.

Georgian College has used its best efforts to ensure that the information herein is accurate at the time of publication, recognizing that any such information is subject to ongoing review and change.

Planning your next move?

Visit ONTransfer.ca and explore the most current source for credit transfer opportunities among Ontario's colleges and universities. Let us help you plan the route to your postsecondary destination.

The site features an interactive tool that highlights pathways among the province's college and university programs.

You can search the Transfer Guide for course-to-course and program-based transfer options. The tool then shows you the various transfer possibilities available, including the amount of transfer credit you can receive.

Save your results for future reference and find the contact details of transfer credit advisors at all of Ontario's postsecondary institutions.

ONTransfer.ca is provided by the Ontario Council on Articulation and Transfer (ONCAT), which is funded by the Ontario government.

After completing my diploma at Georgian, I wanted to continue my education abroad and obtain a degree in marketing. An articulation agreement between Georgian and the University of Glamorgan in Wales, UK, provided me with this opportunity. Not only did I receive a great educational experience, I was able to immerse myself in Welsh culture while meeting students and faculty from all over the world. I would go again in a heartbeat. Thank you, Georgian College, for making this partnership possible!
